ABOUT SIS

Established in 2007, Singapore International School (SIS) is the only co-ed boarding school in Mumbai situated on a 10 acre campus with modern amenities, lush green playing field, indoor badminton courts and swimming pool facilities.

SIS is the largest single campus International School in Mumbai. Being a multicultural city, home to 20 million people, Mumbai is the financial capital of India and the Headquarter of many multinational organizations, Singapore International School. is the school of choice of many of their employees.

SIS is intentionally set up as a signature school for 500 students from K1 to 12 with about 100 Academic faculty members, in order to promote individualized learning. Nearly 30 percent of the students are boarders, and the school provides them with outstanding pastoral care and support. All students have access to a variety of extra-curricular and enrichment opportunities through programmes such as Round Square conferences, International Award for Young People (IAYP), and CAS. SIS students have designated sports and games time everyday apart from the PE lessons during which they can play sports as well as engage in music, dance, and arts/crafts. Moreover, the school also participates in interschool competitions both at the national and international level in the Arts, Sports and Model United Nations.

ACADEMIC OVERVIEW

The school offers a comprehensive programme consisting of four levels: K-6 follows the Singaporean curriculum within the framework of International Baccalaureate Primary Years Program (IBPYP) and also using the Reggio Emilia approach leading to Grades 7-8 which is the Cambridge Pre-IGCSE level effectively tying in with the 9 and 10 IGCSE to finally culminating in the two years of International Baccalaureate Diploma Programme (IBDP). The academic support includes enrichment, information literacy, special education needs and gifted student programmes, personal and career counselling, in addition to sports and games and co-curricular programmes with the aim to promote individualization of learning and holistic development of each child.

IBDP students choose six subjects: three at Standard Level (SL) and three at Higher Level (HL), as well as complete an Extended Essay, Theory of Knowledge (TOK) and a Creativity, Activity and Service (CAS) programme to gain their IB diploma.

Integrity in College and University Application

All students at SIS from Grades 9 through 12 are supported by a dedicated team of college counsellors. They are guided to apply to a limited number of universities. An admission officer reading an application from a SIS applicant can therefore be sure that the student is a serious applicant. SIS students understand and adhere to the school's integrity in application policy. Given our close working relationships with students, SIS Counsellors provide detailed individualized recommendations that best represent our students.

SCHOLARSHIPS FOR THE CLASS OF 2020

Congratulations to the focused, energetic, dynamic and intelligent group of 89 students that comprised Singapore International Schools Graduating Class of 2020. Together these students put forth approximately 700 applications to various Universities and Colleges across the globe. Their choice of destination was an eclectic mix of countries ranging from USA, Canada, UK, Netherlands, France, Singapore, Spain, Australia, Malaysia, India and more.

Our students have secured admission offers for over 450 applications from Universities overseas. These include the top most institutions of Higher Education and niche institutes for focused tertiary education.

Also commendable is the sheer quantity and quality of the Scholarships received by this group of young graduates. The combined total of Scholarship received by our Class of 2020 is a whopping \$ 2.88 Million spread over a period of 4 years. Some students received offers to join the Honors Programs for their focus and superior abilities. A large number of students were awarded the Presidential Awards and Scholarships of Excellence, Chancellors Awards, Visionary Scholarship, Outstanding International Student Award and Holland Scholarship etc. for their exemplary academic records, holistically outstanding activities and involvement in their community.
